Advance Notices

Tuesday 3rd December. Iolo Williams, naturalist and TV presenter will be giving a talk entitled "**Life Before the Lens**", recounting fascinating experiences as a Species Officer for the RSPB. This is part of the Village Hall 10th Anniversary celebrations. Further information and to purchase tickets (£15) - see the July Newsletter. It's likely to be popular so **don't delay** .

Looking back through the records I find that the first Newsletter that we produced under the new system was in September 2009.

Without the support and help of Richard and Jackie Beaumont, Tim Weaver and Rita and Duncan Baker I do not think that I could have undertaken the production process. However, it isn't that onerous, I have a fairly efficient template and people are very good, most of the time, in letting me have copy in time.

Nevertheless as I approach my 82nd birthday I feel that some help in the production of the Newsletter would be very welcome; if anyone would be interested or would like to know more **please** get in touch. Judith

Text to 07847 123746 or 01588 505065, but we don't always answer the landline and I find text easier on the mobile as I might be driving/busy etc.

Whilst we have tried to ensure that information is accurate, if in doubt there are contact numbers to ring.
